THE FISHIN' PIG STORY

Here at The Fishin' Pig, we have the finest from land and sea: savory, smoked meats and flavorful, fresh seafood! Founded by Matt Hurley, Nash Osborn, Shorty Osborn, and Jim Osborn, The Fishin' Pig is a southern culinary combination that will delight all the senses! It all started in Memphis, TN, the BBQ Capital of the World, where Matt Hurley was honing his skills on the banks of the Mississippi river. He then made the move to Virginia, opening Mulligan's Sports Grille in Farmville. Missing the smell of a smoker, Matt founded Grady's BBQ, named after his dad, in 2006. While he was bringing his Memphis-style expertise to the small town of Farmville, Shorty's passion for catchin' and eatin' fish led to the creation of Shorty's Famous Seafood & Chicken Breeding and the popular phrase "Catch n' Release in the Grease". As luck would have it, Nash and Jim joined the Mulligan's family as bartenders, introducing the Fish to the Pig. The relationship went swimmingly and in October 2012 they decided to go whole hog and combine the two companies to make The Fishin' Pig.
